

ESPRIT arena: Business-Events? Soccer Parties? Pop concerts?

If you are looking for a special venue for big concerts and soccer matches, but also for conventions, press conferences, seminars or product presentations, your ideal setting will be the ESPRIT arena. The multifunctional concept of the ESPRIT arena sets new standards and guarantees that you and your guests will leave with the most positive lasting impressions. The unique atmosphere permits concentrated work as well as exuberant partying. The First Comfort Club of the ESPRIT arena, for example, lends itself to high-class, tailor-made events for up to 1,600 persons, while the variable boxes on the east side provide versatile sizes and possibilities for your event.
